The clever way to display your iPad. The connector holds an iPad securely and comfortably. Whether on stage, in the rehearsal room or at home - the strong prismatic element with its ergonomic clamping screw allows the iPad holder to be attached quickly and easily to any tubes up to 30 mm diameter. The iPad snaps in and out of the holder effortlessly. The pivoting range is second to none, allowing the user the iPad position of their choice. The swivel movement can be adjusted from free to resistant. The iPad switches rapidly between the vertical and horizontal format without slipping.
